Are you a Trainee?

Would you like to present your topic?

Then apply for the ICS Trainee Session!!

The ICS will be holding a new session at **ICS 2013** for trainees, students and fellows.

Young ICS members will present lectures relating to research which will be followed by presentations from those with non-discussion posters who then receive feedback on their presentation skills, slides and scientific content.

The session will be followed by the ICS Welcome Reception in the conference centre.

The session is free of charge but pre-registration is required. We welcome ICS members and non-members from all disciplines who have graduated or completed their education in their specialty field within the last 5 years.
